For Approval Of Tariffs Proposing Its) Case No.

On an Expedited Basis.)

MOTION FOR EXPEDITED TREATMENT OF TARIFFS

COMES NOW SBC Long Distance, LLC d/b/a SBC Long Distance ("SBCLD" or "Company"), by and through its attorneys, pursuant to 4 CSR 240-2.080(16) and 4 CSR 240-2.065(2), and requests that the Missouri Public Service Commission ("Commission") expedite the approval of its tariffs, for good cause shown, and permit the Company to make effective no later than June 12, 2005, the tariffs filed on May 20, 2005, in this proceeding. In support of this Motion, SBCLD respectfully states:

1. Simultaneously with the filing of this Motion, SBCLD is filing tariffs which are designed to introduce a new service, Business Domestic Saver 15 Prime, for domestic outbound 1+ and calling card services. The tariffs have an issue date of May 20, 2005, and a 30-day effective date of June 19, 2005. A 30-day effective date is required in Missouri since Business Domestic Saver 15 Prime is a new service. This service will be offered throughout SBCLD's service areas on a national basis on June 12, 2005, assuming regulatory approval in each respective state where SBCLD is operating.

2. SBCLD respectfully requests that the Commission issue its Order Approving Tariffs and approve the tariffs to go into effect no later than June 12, 2005. This will allow the Missouri tariffs to become effective in time for SBCLD to offer the service to its Missouri customers as part of the national roll-out of this new service. There will be no negative effect

upon the Company's customers or the general public if the Commission acts by the date requested since this new service is an optional service which may provide rate savings to SBCLD customers in Missouri. In addition, the Company is filing this pleading as soon as it could have since the pleading is being filed simultaneously with the proposed tariffs.

WHEREFORE, SBC Long Distance, LLC d/b/a SBC Long Distance respectfully requests that the Commission authorize its tariffs to go into effect on an expedited basis and become effective no later than June 12, 2005, in order to permit SBC Long Distance to offer its Missouri customers this new service as part of a national roll-out of the service scheduled to commence on June 12, 2005.

Respectfully submitted,

/s/ James M. Fischer
